Note:

1. The fees of this price list are effective within the territory of the Republic of Belarus and shall apply to the services rendered by the Republican Unitary Enterprise "Centre for Examinations and Tests in Health Service" for the performance of a set of preliminary technical activities related to expert examinations preceding the state registration of pharmaceutical substances, making changes to the registration dossier of medicinal products, and obtaining permits for the import and (or) export of narcotic drugs, psychotropic substances and their precursors restricted for movement across the State Border of the Republic of Belarus on non-economic grounds, for non-resident applicants of the Republic of Belarus.

2. The fees of this price list are differentiated by groups of medicinal products and the complexity of the expert examination of the documentation submitted for consideration.

3. The costs of chemical, toxicological, clinical (medical) trials, bioequivalence and other studies, materials, support activities and services required for the set of activities preceding the state registration of pharmaceutical substances or making changes to the registration dossier of medicinal products, in accordance with the attached work descriptions, shall be paid by the applicant additionally at the fees approved in the established manner.

4. State duty to the Republican budget for the state registration of pharmaceutical substances shall be charged additionally in the manner and in accordance with the current legislation of the Republic of Belarus.

5. In case of conducting expert examination of documentation for making changes to the registration dossier of a medicinal product (pharmaceutical substance), an additional fee in the amount of 10% of the fee provided for in sub-clauses 2.4.13, 2.4.14, 2.4.15, 2.4.16, 2.4.17 of clause 2 of the price list shall be charged for the second and each subsequent pack size or dosage.

6. In case of conducting expert examination of documentation for a medicinal product or a pharmaceutical substance related to a change in the name of the medicinal product/pharmaceutical substance or the name of the manufacturer, a change of the manufacturer (country of manufacture), or registration for other plants of the same company, an additional fee in the amount of 10% of the fee provided for in sub-clauses of the price list shall be charged for the second and each subsequent pack size or dosage.

7. Payments by non-residents for the performance of a set of preliminary technical activities related to expert examinations preceding the state registration of pharmaceutical substances, making changes to the registration dossier of medicinal products, and obtaining permits for the import and (or) export of narcotic drugs, psychotropic substances and their precursors restricted for movement across the State Border of the Republic of Belarus on non-economic grounds, shall be performed in accordance with the current currency legislation of the Republic of Belarus.

8. By order of the Ministry of Health of the Republic of Belarus, the performance of a set of preliminary technical activities related to expert examinations preceding the state registration of pharmaceutical substances, making changes to the registration dossier of medicinal products, and obtaining permits for the import and (or) export of narcotic drugs, psychotropic

substances and their precursors restricted for movement across the State Border of the Republic of Belarus on non-economic grounds, and certain names of medicinal products, may be performed without charging a fee.

9. In case of conducting expert examination of documentation for making changes to the registration dossier (including cases where documentation of the pharmaceutical substance manufacturer is included in the registration dossier of the medicinal product containing this pharmaceutical substance) where the submission of a full set of documents is not required under the legislation of the Republic of Belarus, a fee in the amount of 10% of the fee provided for in sub-clauses 2.4.7, 2.4.9, 2.4.11, 2.4.14 of clause 2 of the price list shall be charged.

10. In case of conducting an accelerated procedure for the expert examination of documentation for making changes to the registration dossier of a medicinal product (pharmaceutical substance), a coefficient of 2 shall be applied to the fees provided for in clause 1.4 and sub-clauses 2.4.1, 2.4.3, 2.4.4, 2.4.6, 2.4.8, 2.4.9, 2.4.11, 2.4.13, 2.4.14, 2.4.15, 2.4.16, 2.4.18 of the price list.
